

Denise Brown, MD

Vice President, Practice Development - CEP America

Denise Brown, MD, has years of experience aligning physicians across service lines to improve hospital throughput and staff satisfaction. She has been a practicing hospitalist for more than a decade and was previously the Hospitalist Medical Director at Sequoia Hospital in Redwood City, California. She currently serves as the Vice President of Practice Development at CEP America and sits on the Board of Directors for the Sequoia Hospital Foundation, part of the Dignity Health system.

She holds a Bachelor of Arts degree from the University of California, Berkeley, where she was elected to Phi Beta Kappa, and a medical degree from the University of Chicago with election to Alpha Omega Alpha. Dr. Brown completed her Internal Medicine residency at Stanford University and has been with CEP America since 2002.
