

Namer Kaim, AIA

President of **Kaim Associates, Inc.**, an architectural services firm celebrating its 20th year of serving the Texas healthcare market.

Mr. Kaim's profession goal is to deliver specialized, personal architectural services in the healthcare marketplace. Manifesting this vision, he established Kaim Associates, Inc. in 1995. Focusing on significant healthcare projects has afforded Mr. Kaim a unique perspective of planning, design and construction of a variety of facilities, and has led to significant exposure in the Texas region. These projects range in scope from new construction (Hospitals, Ambulatory Surgery Centers, Emergency Centers, Rehab Facilities) to minor and major renovations in existing facilities (Specialty Clinics, Imaging Facilities, Oncology and Infusion Therapy centers). Understanding our client's delivery of healthcare and the regulatory mandates that affect their services is instrumental in Kaim Associates' success in communicating design and construction projects. Working in a studio environment, Mr. Kaim, along with his collaborative staff, offers each client personal, professional service, tailored to each client's unique requirements, from initial design to final occupancy.
