

William C. "Kip" Schumacher, MD, FACEP

Founder and Executive Chairman

Dr. "Kip" Schumacher is the board-certified Emergency Medicine physician who has used his knowledge of the delivery of Emergency Medicine to develop Schumacher Group. Seventeen years in the trenches of a large hospital emergency department led to the creation of our organization. He knew that with the right team and the right philosophy, we could help shape Emergency Medicine throughout the country. Dr. Schumacher is renowned for his personal commitment to excellence. His focus on high-quality patient care drives our company to respond to our clients and providers with innovative, meaningful solutions, all for the purpose of making health care better for every single patient.

Dr. Schumacher is also a national leader in policy arenas, helping shape the future of health care. He has published several articles on the leadership challenges facing the health care industry, has participated on nonprofit boards dedicated to health care reform and has been honored as a "Hero of Emergency Medicine" by the American College of Emergency Physicians (ACEP).
