

Aron P. Goldfeld, JD, MBA
Corporate Vice President, Advocacy & Regulatory Affairs

TEAMHealth, Inc.

Since 1999, Aron Goldfeld has served as TeamHealth's vice president for Advocacy & Regulatory Affairs. In this capacity, Aron oversees TeamHealth's state and federal advocacy and government relations, monitoring and advocating on behalf of TeamHealth and various trade and professional associations on state and federal matters, bills, statutes and regulations affecting emergency medicine and hospital based providers. Aron is a licensed attorney in the State of Florida and possesses 30 years' experience in the health care industry. His experience encompasses a wide range of health related issues affecting business, legal and health policy matters. Aron has worked extensively with physicians, hospitals, practice management organizations and managed care payers mainly in the in the areas of contracting and reimbursement. Additionally, Aron serves TeamHealth's Health Care Financial Services Division where his primary responsibilities include the oversight and management of TeamHealth's outsourced services division, focusing on professional billing coding and practice management services as well as identifying, contracting and revenue generation opportunities for TeamHealth. For the past 10 years, Aron has served as a board and executive committee member and vice chair of the Emergency Department Practice Management Association (EDPMA); a member of the ACEP Emergency Medicine Action Fund, chair of the EDPMA/ACEP Joint Task Force on Medicaid Policy and has served on a number of state ACEP chapter lobbying and advocacy efforts on various issues related to emergency medicine physician reimbursement, managed care, balance billing and out-of-network reimbursement. Aron has also actively organized and managed several state lobbying coalitions. Aron has lectured, taught and spoken extensively on health care policy, managed care, and physician reimbursement matters. Aron is also a fellow with the Nashville Health Care Council.
